Scratch

خراش

Abrasion

سایش

Impact

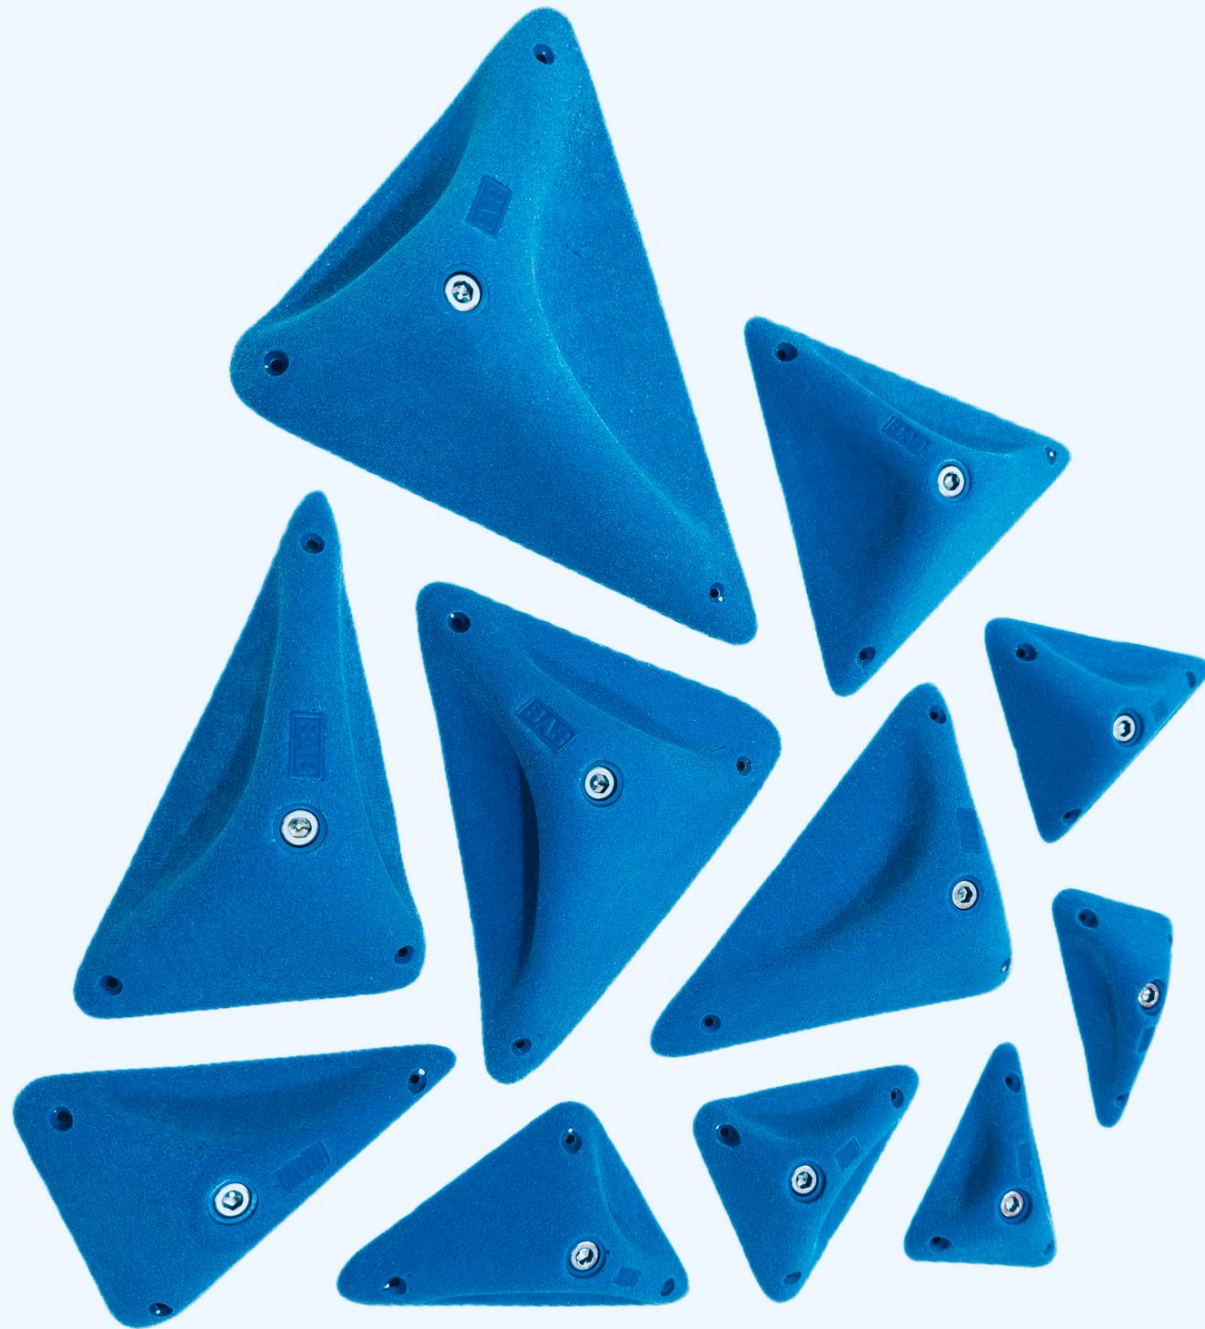

ضربه

گیره‌های باب هلدز، ساخته شده از رزین پلی‌یورتان، با انجام آزمون‌های **Abrasion**، **Impact**، **Scratch** و **Tensile** توانستند مقاومت بی‌نظیر خود را در برابر ضربه، سایش، کشش و خراش ثابت کنند. این گیره‌ها با کیفیتی عالی، بهترین انتخاب برای کسانی هستند که تنها بهترین‌ها را می‌خواهند.

**BAB holds, made from polyurethane resin, demonstrated exceptional resistance to impact, abrasion, tensile stress, and scratches through Impact, Abrasion, Tensile, and Scratch tests. With outstanding quality, these holds are the perfect choice for those who seek only the best.**
